

Guitar

Curriculum focus will be on classical guitar education with emphasis on music reading, technique, fundamental training.

Reading tablature will be a very small unit within a large course of training. This will not be a “jam” class. Entering this class with music reading skills will be extremely valuable as the curriculum will move quickly.

In order to register for this class, students must have a classical guitar of their own or must rent a guitar from the school (no electric guitars). **Rental cost is \$40 per semester. NOTE: Very few school guitars will be available for rent. FEES:** Students will be required to purchase – technique book, strap, picks, foot rest, replacement strings.
