

Honors Jazz Ensemble

This band will study and perform jazz music composed for traditional jazz instruments. Students will study all style periods, fundamentals of music, and learn improvisational skills. The band will perform at concerts, festivals and possibly travel to an out of town event. Attendance at additional rehearsals and performances is required. This ensemble is considered the premier jazz ensemble in the band program and will focus on advanced jazz literature. Students must be concurrently enrolled in one of the Centennial Concert Bands AND the spring zero hour All Band class. *See instructor for course fee.*
