

Lodging Management II – Hospitality Management

Lodging Management II prepares hospitality students for management positions. Students will explore leadership, communication, and management principles. This course will focus on Food & Beverage Service including: catering sales, calculating food costs, menu planning, dining & beverage service, and sanitation, health & safety. Students will analyze sales and marketing concepts of hotels including their food and beverage divisions, and develop a marketing plan. Students will also study trends in event management careers such as Wedding Planning and Sports Management. The curriculum follows the American Hotel & Lodging Association (AHLA) Lodging Management Program (LMP). Students are eligible to receive an industry recognized AHLA LMP/HTMP Year 2 course certificate upon completion of the course and a passing score on the national exam. Prerequisites: Lodging Management I

Course ID# = LDGMGM2-GN-Y

**(This course meets the required Career Cluster, Workplace Readiness, or
Language other than English Graduation Credit Requirement)**
