

Centennial High School opened with the philosophy that all students shall be enrolled in all class periods provided to all students. Due to budgetary issues, the Administration has consented to allow identified students that qualify for "Off Campus" to have as few as 6 of the 8 classes on their schedule for the year. The criteria used to identify these students is as follows:

1. As of their 5<sup>th</sup> semester in high school, the student had earned a minimum of 20 credits towards graduation
2. They have their own transportation to and from school
3. They have room in their schedule to drop no more than 2 elective choices
4. Student have the Parent consent form signed by their parent/guardian and returned to their Counselor before the end of April of the current school year.

Please understand that the Master Schedule of Classes is built based on student requests. Full utilization of staff is a must, therefore course requests from students must be completed before the end of the month of April. No "Off Campus" requests will be granted after the last day of school following the student's 11<sup>th</sup> grade school year.
