

Drama-Stagecraft 3-Musical Theatre Production

This class will focus on the elements of theatre and voice necessary for producing Musical Theatre performance. Each semester, the class will take on a new production, and work through the various stages of production, from rehearsals, to set construction, to production management and performance. Students will be required to participate in a handful of after-school rehearsals or performances each semester as a part of their grade. **Prerequisite: Introduction to Theater OR Acting 1 AND Instructor Approval**

Course ID# = STAGE3-GN-Y

(This course meets 1 of 12 needed Elective Graduation Credit Requirements)
