

Drama-Stagecraft 4-Playwriting/Screenwriting

This class will focus on the elements of theatre and voice necessary for producing Theatre and Film performance. In the Fall semester, students will generate original stage-plays for production, then work through the various stages of production, from rehearsals, to set construction, to production management and performance. In the Spring, students will generate screenplays for Film production. Students will be required to participate in a handful of after-school rehearsals or performances each semester as a part of their grade. **Prerequisite: Stagecraft 1 or Necessary Media class AND Instructor Approval**
